Sir,

Sub: Establishment - Office of the Director of Public Health, Madras - Continuation of certain posts - Sanction requested.

In G.O.No.Ms.3154 P.H., dated 17-9-1947, sanction of new schemes and the general increase in correspondence, the work in the Establishment, Budget and Accounts sections has considerably increased in volume and importance. As the retention of the above staff is absolutely necessary, I request that Government would be pleased to sanction their continuance for a further period of the one year from 1.4.1948.

2. In G.O.No.Ms.767 P.H. dated 11-3-1947 sanction was accorded for the continuance for a period of one year from 1-4-1947 of an additional lower division clerk in this office for work as Despatcher. The correspondence of this office is still on the increase and the despatching work continues to be very heavy. The value of service stamps so far used in this office from 1-4-1947 is Rs.11,000, and as already explained in this office letter R.No.5743-1/A dated 22.1.1947, there is full work for two despatching clerks in this office. In the circumstances, I request that the Government will be pleased to sanction the continuance of the additional despatching clerk (lower division) for a further period of two years from 1.4.1948.

3. In G.O.No.Ms.952 P.H., dated 28.3.1946 sanction was accorded to the continuance for a further period of two years from 15.5.1946 and 19.6.1946 respectively of a lower division clerk and a peon sanctioned in G.O.No.Ms.1184 P.H., dated 25.4.1944 for work relating to tappal, indexing and Records in this office. As the necessity for the services of a separate clerk and peon for the work still exists, for a further period of two years.

Very early orders are requested.
